

DAY CAMPS AT THE MUSEUM

One Day - Day Camps Presented by Children's Discovery Museum

Discovery Day Camps

Join the Children's Discovery Museum in their first ever Discovery Day Camps! Camps are designed for children aged 7-9.

Tues, July 11: Games Galore

Come try some different games that are played around the world. Play games you love and make your very own game to take home. We will play all sorts of games!

Tues, July 18: Amazing Art

Come and explore different kinds of visual art. You will make water colour paintings, acrylic abstracts, clay sculptures and more!

Tues, July 25: Eco-Kids

Come and explore nature inside and outside the museum. What a beautiful world we live in! What does nature give us? How do we protect it? Campers will get their hands dirty discovering and exploring environmental friendly projects.

Tues, August 1: Ka-Boom

Science is always a surprise! Campers will do various hands-on experiments that are messy and fun! Learn how to make a rocket and create their own volcanos. Enjoy the fun and fizzy experiments!

Registration is required
registration forms can be found at museumforkids.sk.ca or picked up in person at the museum.

Deadline for registration is one week before camp date - space is limited

Location: Children's Discovery Museum
Market Mall

Time: 9:00 am - 4:00 pm
