

OUR SPONSORS

A Message From Our Presenting Sponsors

We believe that Saskatoon is a GREAT place to live. It is a very caring community and it is a wonderful place to raise a family. In some ways a community is only as good as the people who live in it. Generosity breeds generosity. It does not matter if it is a monetary donation or donations of time and talents. To help people in your community means to strengthen your community. The citizens of Saskatoon have proven over and over again that they give generously of their time to volunteering and helping to make Saskatoon a great place to live.

The Nutrien Children's Discovery Museum is a prime example of caring citizens of Saskatoon coming together and tirelessly donating their time and talents to making this exciting project a reality. "Kids can be kids" in this fun environment and can develop a love for learning through playing with unique interactive exhibits and programs. Fun and learning are essential parts of a child's life.

We are very proud to donate to this outstanding project. Thank you to everyone attending this fabulous "What's for Dinner" event. You are part of a caring community helping to make this state-of-the-art museum not only a "must-see" for families when visiting Saskatoon, but an integral part of fun and learning for our children of today and for future generations.
